I have always wished to go fishing. Last summer, I went on a trip to Italy. On the last day of my trip, I went fishing on a beautiful river. I didn't succeed to catch any fish. So, to enjoy my trip, I decided to go swimming. Before taking out my clothes, I went near the river to wash my hands. All of a sudden, my wallet fell out of my pocket into the water. It had all my money, my passport, my plane tickets. I jumped into the river to look for it, but I didn't find anything.

The next morning, I wasn't able to leave the hotel. I didn't have any money to pay for the hotel bills and had no plane ticket or passport to go home, So what could I do? I sold my watch and gold ring. I have never had such a terrible trip.
