متن زیر را با دقت بخوانید :

Helen Keller lived in the United States. She was a great woman. When she was a baby , she got very sick. After many weeks the doctor said," She is better, but now she cannot see and hear."

After a few years, things got worse. Helen was like a wild animal. There was no way for her to speak to other people . She heard nothing. She didn't understand anything.

Then , one day a teacher came to live with Helen and her family. She learned many things. She learned to read and write. She worked and traveled. Her teacher went with her everywhere. When she was older , she went to a college.

Her teacher sat next to her and helped her with her work. Helen helped to build schools and find books for people who couldn't see or hear.
