Yesterday was a sunny day and our classroom went to the zoo. We were very early and the zoo was closed. We waited at the door for twenty minutes. Then a fat man opened the door. He was a very nice man. We bought thirty two tickets and went inside. We saw a lot of animals there. The monkeys were eating their food. The lions were very wild. We ate lunch there. After lunch we played and walked for a few hours. Then, we left the zoo in the evening. When I went home, it was dark. After dinner, I went to bed early. It was a good day for us.
